

Welcome to the world of Rolls ,  
Heavy Engg. components, assemblies and SPM,s.

# ROLLS MACHINES FABRICATION

## IMPERIAL METAL EQUIPMENTS

Dedicated To Quality , Reliability And Service

Specialised for : Steel Mills, Tyre Manufacturing Plants, Automobiles & Allied Industries.

Welcome to the world of Rolls, Heavy Engineering  
components, assemblies and SPM,s.

### IMPERIAL METAL EQUIPMENTS

An ISO 9001:2008 Certified Company

## ROLL

We manufacture rolls for ROT, Bridle rolls, CGL rolls, rolls for galvalume, Hearth roll, pinch roll, backup roll, deflector roll, dancer roll, hold down roll, pressure roll, conveyor roll.

### Roll

Alloy Steel Rolls & Bridle Rolls  
Water Cooled hearth Rolls  
Wrapper Rolls, Table Rolls &  
Assemblies ROT Rolls &  
Assemblies.

Imperial is an organization actively associated with Indian Iron and steel Industry to cater their demand of Steel Plant equipment especially heavy equipment and their spares along with turn key projects for more than 20 years.

Spindles, Pinion Stands,  
Downcoiler, Pinch Rolls, Forged  
Rolls ( Back up and work rolls), Roll  
Chocks, Radiant Tubes, Levelers,  
Galvanizing Lines & , Color Coating  
Lines components and rolls, Coil  
Packing Lines, Sinter Car Wheels,  
Lifting and Handling Equipment,  
Crane Wheels , Bearing housing,  
chocks ,Water cooled bearing  
Housing , Non water cooled  
bearing Housing  
etc.
